

Things to do at home during the Coronavirus pandemic (6)

Plant a sunflower and watch it grow. Discuss if you are taller or smaller than it over the stages.

Build a bird's nest (see picture attached)

Make an egg carton crab (see picture attached)

Feeding ground – feeding birds (see picture attached)

Bounce on a space hopper.

Look for Spring in the garden/park and take photos.

30-day Art/DT challenge (see picture attached)

Make names out of stickers (see picture attached)

Make play dough. This could be different colours or you can add different scents to it. For example, lavender, vanilla or whatever you like.

Make salt dough (see attached method)

Make rice crispy cakes.

Colour the NHS pictures and put them in your window to show your appreciation. (see sheets attached)

Do a puzzle hunt (see picture attached)

Paint ice cubes (see picture attached)

Do a pom pom run (see picture attached)

Handwriting sheet (see sheet attached)

Go over the numbers sheet (see sheet attached)

Counting sheets (see 4-day Maths sheet)

Cut and stick the numbers to match pictures (see sheet attached)

Match the pairs sheet (see attached sheet with Easter eggs on it)

Decorate an Easter egg (see attached sheet)

Circle the odd one out (see attached egg sheet again)

Practicing brushing your own teeth/hair. Learn various hair styles – plaiting.

Potty training

Build a Lego model and take a photo.

Indoor Scavenger Hunt (see sheet attached)

Make an obstacle maze indoors if you can (see attached picture)

To go over the sounds – m, d, g, o, u, l, f, b, z, j, w, v and x.

To over the shapes – pentagon, hexagon and octagon.

To go over the colours grey, silver and gold. Please note the children do get in a muddle understandably with grey and silver.
